

## Scream 4 Me

Lita Ford

With my voice I hypnotize  
I'm so erotic  
Acting like psychopath  
You are so neurotic

You're pretty oh so pretty  
But you're a train wreck oh it's such a pity  
Sinful thoughts inside my head  
You scream for me and I'll scream for you

You're crazy oh so crazy  
And you're insane a brain drain a freight train  
You're oh so dangerous  
You scream for me and I'll scream for you

I am a freak, a freak like you  
Tell me just 1 little thing  
What's a freak supposed to do  
If you want it I got it  
I got it you want it

Stand up sweet misery  
You crave it I got it  
I got what you crave  
Stand up and scream for me

You're pretty oh so pretty  
But you're a train wreck oh it's such a pity  
Sinful thoughts inside my head  
You scream for me and I'll scream for you

You're crazy oh so crazy  
And you're insane a brain drain a freight train  
You're oh so dangerous  
You scream for me and I'll scream for you

I'll scream for you you you  
Scream for me, scream for me  
I'll scream for you you you
