

Evangeline

Little Big Town

He won't lay a finger on you
He won't wreck your pretty face
But hell tell you that your worthless
Just to put you in your place
Well you don't have to be kicked to bruised, no
You don't have to be hit to be abused

Evanlgeline your a hard one
Your denial is polstered by your dreams
Thinking love is gonna save you
But I ain't love if its mean Evangeline

And the smile that your wearing
Is just to hide the pain
Through the secrets that your hiding
That are just to dark to tell
You have to be cut to be scarred no
You don't have to be struck to leave a mark

Evanlgeline your a hard one
Your denial is polstered by your dreams
Thinking love is gonna save you
But I ain't love if its mean Evangeline

You don't have to be kicked to be bruised no
You don't have to be hit to be abused

Evanlgeline your a hard one
Your denial is polstered by your dreams
Thinking love is gonna save you
But I ain't love if its mean Evangeline

It ain't love Evangeline
It ain't love Evangeline
It ain't love Evangeline
It ain't love Evangeline
