

Kiss Goodbye

Little Big Town

When you lose somethin
It's all that you want back
You're waitin patiently
But it don't work like that

When you lose someone
The first thing that goes through your head
Is if you run fast enough
You just might catch up
But it don't work like that

You just gotta watch it fly
Stand there on the side lines
Go on and swallow your pride
You know its gonna be alright
Wish it well and close your eyes
With a kiss goodbye

Well the hardest part
Ya it hurts so bad
Is when she spreads her wings
But it'd be a selfish thing
To try and hold her back
But it don't work like that

You just gotta watch it fly
Stand there on the side lines
Go on and swallow your pride
You know its gonna be alright
Wish it well and close your eyes
With a kiss goodbye

When you lose something
It's all that you want back

You just gotta watch it fly
Stand there on the side lines
Go on and swallow your pride
You know its gonna be alright
Wish it well and close your eyes
With a kiss goodbye

Like a kiss goodbye
