Kiss Goodbye

Little Big Town

When you lose somethin It's all that you want back You're waitin patiently But it don't work like that

When you lose someone The first thing that goes through your head Is if you run fast enough You just might catch up But it don't work like that

You just gotta watch it fly Stand there on the side lines Go on and swallow your pride You know its gonna be alright Wish it well and close your eyes With a kiss goodbye

Well the hardest part Ya it hurts so bad Is when she spreads her wings But it'd be a selfish thing To try and hold her back But it don't work like that

You just gotta watch it fly Stand there on the side lines Go on and swallow your pride You know its gonna be alright Wish it well and close your eyes With a kiss goodbye

When you lose something It's all that you want back

You just gotta watch it fly Stand there on the side lines Go on and swallow your pride You know its gonna be alright Wish it well and close your eyes With a kiss goodbye

Like a kiss goodbye
