

# Life Rolls On

Little Big Town

I don't know, but I've been told  
If you ain't busy livin', then you're getting old  
That always seemed to make good sense to me

So I've been running my whole life  
Diving in, never thinking twice  
Chasing down what life had in store for me

Ain't nothing gonna stop this train from moving  
Gonna grab hold and keep on singing

La, la, la, la, la, la, la, la, la, life rolls on  
La, la, la, la, la, la, la, la, la, life rolls on

I don't know but it seems to me  
A chair and the sand and a summer breeze  
And a sunset, man, that's where I belong  
So sit down here right next to me  
We'll toast and to living free  
And watch the tide roll in all night long

As sure as the sun and the moon keep shining  
We'll be here and we'll be singing

La, la, la, la, la, la, la, la, la, life rolls on  
La, la, la, la, la, la, la, la, la, life rolls on

Yeah life rolls on

As sure as the sun and the moon keep shining  
We'll be here and we'll be singing

La, la, la, la, la, la, la, la, la, life rolls on  
La, la, la, la, la, la, la, la, la, life rolls on

And we'll be singing

La, la, la, la, la, la, la, la, la, life rolls on  
La, la, la, la, la, la, la, la, la, life rolls on

Yeah life rolls on  
Life rolls on  
Yeah life rolls on

I don't know, but I've been told  
If you ain't busy livin', then you're getting old  
That always seemed to make good sense to me
