I don't know, but I've been told

If you ain't busy livin', then you're getting old

That always seemed to make good sense to me

So I've been running my whole life Diving in, never thinking twice Chasing down what life had in store for me

Ain't nothing gonna stop this train from moving Gonna grab hold and keep on singing

La, la, la, la, la, la, la, la, life rolls on La, la, la, la, la, la, la, la, life rolls on

I don't know but it seems to me
A chair and the sand and a summer breeze
And a sunset, man, that's where I belong
So sit down here right next to me
We'll toast and to living free
And watch the tide roll in all night long

As sure as the sun and the moon keep shining We'll be here and we'll be singing

La, la, la, la, la, la, la, la, life rolls on La, la, la, la, la, la, la, la, life rolls on

Yeah life rolls on

As sure as the sun and the moon keep shining We'll be here and we'll be singing

La, la, la, la, la, la, la, la, life rolls on La, la, la, la, la, la, la, la, life rolls on

And we'll be singing

La, la, la, la, la, la, la, la, life rolls on La, la, la, la, la, la, la, la, life rolls on

Yeah life rolls on Life rolls on Yeah life rolls on

I don't know, but I've been told

If you ain't busy livin', then you're getting old

That always seemed to make good sense to me
