

## Little White Church

## Little Big Town

You've been singing, that same old song  
Far too long, far too long  
Say you'll buy me a shiny ring  
But your words don't mean a thing  
No more calling me baby  
No more loving like crazy

Til' you take me down (take me down)  
You better take me down (take me down)  
Take me down to the little white church  
Take me down (take me down)  
Take me down (take me down)  
Take me down to the little white church  
Take me down....

You can't ride this gravy train,  
anymore, anyway  
There's a price for keeping me  
I might be cheap, but I ain't free  
Now more calling me baby  
No more loving like crazy

Til' you take me down (take me down)  
You better take me down (take me down)  
Take me down to the little white church  
Take me down (take me down)  
Take me down (take me down)  
Take me down to the little white church  
Take me down....

Come on!

Charming devil, silver tongue  
Had your fun, now you're done  
Mama warned me 'bout your games  
She don't like you anyways

No more calling me baby  
No more loving like crazy  
No more chicken and gravy  
I ain't gonna have your baby!

Til' you take me down (take me down)  
You better take me down (take me down)  
Take me down to the little white church  
Take me down (take me down)  
Take me down (take me down)  
Take me down to the little white church  
Take me down....

Take me down to the little white church, take me down,  
Take me down, take me down to the little white church,  
take me down, take me down, take me down, take me down to the little white church,  
take me down to the little white church, take me down to the little white church
