

# One of Those Days

Little Big Town

I think it's gonna be one of those days  
I think it's gonna be one of those days  
I'm doing everything right, stepping into the light  
That's what I've been waiting for  
I think it's gonna be one of those days  
I think it's gonna be one of those days  
I've got your hand in mine  
We're gonna wake up to what we've been waiting for

In the dust, burning Sun  
Need the rain, let it come  
Oh we pray, come for me  
We pray, let it rain

Hey, all my sisters and brothers  
Hey, one foot in front of the other  
Hey, all of the darkness ending  
Hey, I see a new beginning

I think it's gonna be one of those days  
I think it's gonna be one of those days  
I'm doing everything right, stepping into the light  
That's what I've been waiting for  
I think it's gonna be one of those days  
I think it's gonna be one of those days  
I've got your hand in mine  
We're gonna wake up to what we've been waiting for

There's a sign through the haze  
There's a will, there's a way  
Oh we pray, everyday  
We pray, oh we pray

Hey, all my sisters and brothers  
Hey, one foot in front of the other  
Hey, all of the darkness ending  
Hey, I see a new beginning

I think it's gonna be one of those days  
I think it's gonna be one of those days  
I'm doing everything right, stepping into the light  
That's what I've been waiting for  
I think it's gonna be one of those days  
I think it's gonna be one of those days  
I've got your hand in mine  
We're gonna wake up to what we've been waiting for

Hey, hey  
Hey, hey  
Hey, hey  
Hey, hey

Hey, all my sisters and brothers  
Hey, one foot in front of the other  
Hey, all of the darkness ending  
Hey, I see a new beginning
