

Rain on a Tin Roof

Little Big Town

Her eyes are blue just like the ocean
Her heart is a river free
Now and then she gets the notion
And she finds her way to me

Her love's like rain on a tin roof
Sweet song of a summer time storm
And oh the way that it moves you
It's a melody of passion raging on
Then it's gone

She tells me she will be back to see me
Every time she has to go
And I keep wondering just when that will be
'Cause with her you never know

Just like rain on a tin roof
Sweet song of a summer time storm
And oh the way that it moves you
It's a melody of passion raging on
Then it's gone

Like a thirsty field, I can't complain a bit
'Cause I'm thankful for every single drop I get

Her love's like rain on a tin roof
Sweet song of a summer time storm
And oh the way that it moves you
It's a melody of passion raging on

Her love's like rain on a tin roof
Sweet song of a summer time storm
And oh the way that it moves you
It's a melody of passion raging on

Then it's gone
And then it's gone
And then it's gone

She's gone, she's gone
My baby's gone
She's gone, she's gone
My baby's gone

She's gone, she's gone
My baby's gone
She's gone, she's gone
She's gone
