

## Sober

Little Big Town

I wanna walk that line a little crooked  
And live my life a little on the rocks  
Laugh at every time my fell  
Not afraid to make a fool of myself  
And keep on dancing when the music stops

'Cause I love being in love  
It's the best kind of drug  
Drunk on the high, leanin' on your shoulder  
Sweeter like a wine as it gets older  
When I die I don't wanna go sober  
Oh, when I die, I don't wanna go sober

You're like drinking from a never-ending bottle  
When I think it's gone there's always a little more left  
Lay back with you and close my eyes  
Let the big ol' world just spin on by  
And sayin' your name with my last breath

'Cause I love being in love  
It's the best kind of drug  
Drunk on the high, leanin' on your shoulder  
Sweet like a wine as it gets older  
When I die I don't wanna go sober  
Oh, when I die I don't wanna go sober

I love being in love  
It's the best kind of drug  
Drunk on the high, leanin' on your shoulder  
Sweet like a wine as it gets older  
When I die I don't wanna go sober

Oh, I love being in love  
It's the best kind of drug  
Drunk on the high, leanin' on your shoulder  
Sweet like a wine as it gets older  
When I die I don't wanna go sober

Oh, when I die, I don't wanna go sober.  
Oh, when I die, I don't wanna go sober.
