

Sober

Little Big Town

I wanna walk that line a little crooked
And live my life a little on the rocks
Laugh at every time my fell
Not afraid to make a fool of myself
And keep on dancing when the music stops

'Cause I love being in love
It's the best kind of drug
Drunk on the high, leanin' on your shoulder
Sweeter like a wine as it gets older
When I die I don't wanna go sober
Oh, when I die, I don't wanna go sober

You're like drinking from a never-ending bottle
When I think it's gone there's always a little more left
Lay back with you and close my eyes
Let the big ol' world just spin on by
And sayin' your name with my last breath

'Cause I love being in love
It's the best kind of drug
Drunk on the high, leanin' on your shoulder
Sweet like a wine as it gets older
When I die I don't wanna go sober
Oh, when I die I don't wanna go sober

I love being in love
It's the best kind of drug
Drunk on the high, leanin' on your shoulder
Sweet like a wine as it gets older
When I die I don't wanna go sober

Oh, I love being in love
It's the best kind of drug
Drunk on the high, leanin' on your shoulder
Sweet like a wine as it gets older
When I die I don't wanna go sober

Oh, when I die, I don't wanna go sober.
Oh, when I die, I don't wanna go sober.
