I could love you Baby, if you want me to I could go and fall for you And never even try, hey, hey I could let you in Baby, where nobody's been Yeah, I'm ready and willing To give this love a try, hey, hey You're the reason why (Baby you're the only reason why) Don't wanna say goodnight (Keep kissing me don't wanna say goodnight) Yeah it feels so right (Everything is gonna be alright) You're the reason why, hey, hey You're the reason why, hey, hey You're in my head Like a song I can't forget Wanna hear it over again And again hey, hey You're the reason why (Baby you're the only reason why) Don't wanna say goodnight (Keep kissing me don't wanna say goodnight) Yeah it feels so right (Everything is gonna be alright) You're the reason why, hey, hey I could love you Baby, if you want me to I could go and fall for you And never even try, And never even try, no And never even try, no And never even try You're the reason why (Baby you're the only reason why) Don't wanna say goodnight (Keep kissing me don't wanna say goodnight) Yeah it feels so right (Everything is gonna be alright) You're the reason why, hey, hey You're the reason why (Baby you're the only reason why) Don't wanna say goodnight (Keep kissing me don't wanna say goodnight) Yeah it feels so right (Everything is gonna be alright) You're the reason why, hey, hey You're the reason why, hey, hey You're the reason why, hey, hey

You're the reason why, hey, hey

Come on and take my hand I'm ready and willing Over and over again
