

Bad For You

Little Birdy

I can't lie and say I don't hate you
You ever make me feel any good about me
Its too long now since you and me showed faith
And you shouted, won't you stay forever young, alright ooh

I, I don't want you anymore,
I don't need you anymore
I can't see you anymore I'm drowning around you oh,
You make me feel no good,
I feel empty and alone won't complain about you now, its over

All my life I chose to accept you
Other tigers, come and go throughout the night, the night, the
night, the night
And oh but your hair, you be to stay the way you are
I can't follow, in your foolish ways, again, my love

'cause I don't want you anymore I don't need you anymore,
I can't see you anymore, I'm drowning around you, oh,
You make me feel no good,
I feel empty and alone won't complain about you now, its over

'cause I don't want you anymore I don't need you anymore,
I can't see you anymore, I'm drowning around you, oh,
You make me feel no good,
I feel empty and alone won't complain about you now, its over

Ooh, had enough of it all, too now, oh now, lalala, enough of i
t all
