

# It's A Rule For You All

Little Birdy

Tell you a secret bout love all the danger it  
Posesses  
It's a rule for you all

And grow something heavy something rough  
take this bullet from beneath me  
take this hole and tear it apart

O I love it  
O I love it

O I am strapped in this world  
I am strapped in this vision of a cruel and  
Desperate devour
