

# Broken Record

Little Boots

I thought it was the last time  
Our ending was bitter-sweet  
Thought you were out of my mind  
Instead just like on repeat  
In my dreams you belong to me  
... set me free

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram  
dum-dum-daram-dam  
Voice like a broken record  
In my heart I feel it echo  
Dum-dum-daram  
dum-dum-daram-dam

I don't know why, I don't know how you're here  
Impossible to make you disappear  
In my dreams you belong to me  
... set me free

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram  
dum-dum-daram-dam  
Voice like a broken record  
In my heart I feel it echo

Dum-dum-daram  
dum-dum-daram-dam  
Dum-dum-daram  
dum-dum-daram-dam  
Dum-dum-daram  
dum-dum-daram-dam

Voice like a broken record  
Voice like a broken record  
Voice like a broken record  
Voice like a broken record

Voice like a broken record  
Voice like a broken record  
Voice like a broken record  
Voice like a broken record

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram  
dum-dum-daram-dam  
Voice like a broken record  
In my heart I feel it echo  
Dum-dum-daram  
dum-dum-daram-dam

I hear your voice like a broken record  
Saying my name every  
Dum-dum-daram

dum-dum-daram-dam

Voice like a broken, broken, broken, broken, broken, broken, record

Dum-dum-daram-dum

dum-daram-dam

Voice like a broken, broken, broken, broken, broken, broken, record
