

Earthquake

Little Boots

I can remember days
Things wern't always this way
I used to make you smile
If only for a while
But now you can't get through
There's know way I can lose
I know some days are hard
But don't you make mine to

Cos I can't stand it when you come home
And we just fight for hours
But I won't show it
No I just hold my breath and keep things quite

Every little earthquake
Every little heartbreak
Going unheard
Every little land slide
Catch it in my hand
I wont say a word
Every time you hurt me
I know that's it's working
Making you mine
Every drop of thunder
Only makes me stronger
On the inside

How many countless nights
I try me best to hide
Soon as you slam the door
My tears fall to the floor
I know that people change
Maybe your not to blame
But must you burn a hole
So deep into my soul
Cos I can't stand it when you come home
And we just fight for hours
But I won't show it
No I'll just hold my breathe and keep thing quiet

Every little earthquake
Every little heartbreak
Going unheard
Every little land slide
Catch it in my hand
I wont say a word
Every time you hurt me
I know that's it's working
Making you mine
Every drop of thunder
Only makes me stronger
On the inside

Every little earthquake
Every little heartbreak
Every little land slide
Catch it in my hand x3

Every little earthquake
Every little heartbreak
Going unheard
Every little landslide
Catch it in my hand
I wont say a word
Every time you hurt me
I know that's it's working
Making you mine
Every drop of thunder
Only makes me stronger
On the inside

Every little earthquake
Every little heartbreak
Every little landslide
Catch it in my hand x2
