

Love Kills

Little Boots

Love don't give no compensation
Love don't pay no bills
Love don't give no indication
Love just won't stand still

Love kills, drills you through your heart
Love kills, it scars you from the start
It's just a living past of running your life
Like gives you a hard time won't let you go cause
La-la-la-la love won't leave you alone

Love won't take no reservations
Love is no square deal
And love don't give no justification
It strikes like cold steel

Love kills, drills you through your heart
Love kills, it scars you from the start
It's just a living past of running your life
Like gives you a hard time won't let you go cause
La-la-la-la love won't leave you alone

And it will play with your emotion
Open invitation to your heart, love kills (x2)

Hey, hey, love kills, love kills
Love can play with your emotion
Open invitation

(2x):

Love kills, drills you through your heart
Love kills, it scars you from the start
It's just a living past of running your life
Like gives you a hard time won't let you go cause
La-la-la-la love won't leave you alone

Won't let you go
Love kills, yeah
