

# Motorway

Little Boots

Foreign names, neon lights  
Changing lanes in my mind  
Passing towns we don't know  
Heading for the unknown  
All our friends left behind  
They're not even on my mind  
They have lives, they have plans  
They could never understand

Meet me on the motorway  
Together we can make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place  
We can drive away  
We can drive away  
Meet me on the motorway  
It's just me and you  
It's just me and you

Getting late, coffee's cold  
Heavy eyes, on the road  
We won't stop, no we won't break  
Shadows hide, overtake  
The small town we left behind  
We won't drown, we won't hide  
A new life, a new plan  
They would never understand

Meet me on the motorway  
Together we can make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place  
We can drive away  
We can drive away  
Meet me on the motorway  
It's just me and you  
It's just me and you

We won't look back, so don't look back  
We won't look back, so don't look back  
We won't look back, so don't look back  
We won't look back, so don't look back  
We won't look back, so don't look back  
We won't look back, so don't look back  
We won't look back

Meet me on the motorway  
Together we can make our great escape  
Meet me on the motorway  
Maybe we can find our perfect place  
We can drive away  
We can drive away  
Meet me on the motorway  
It's just me and you  
It's just me and you
