

Friday Don't Need It

Little Comets

'Cos everybody wants to get with another girl,
Just because it's a Friday,
And everybody wants to act like they rule the world,
Once a week on a Friday,

Ooh oh oh oh,

'Cos you got Friday,
Don't need it, don't need it, don't need it,
You got Friday,
Don't need it, don't need it, don't need it,
Because Friday,
Don't need it, don't need it, don't need it,
You got Friday,
Don't need it, don't need it, don't need it,

Because oh eh oh,
It used to electrify my soul,
Oh oh,
But now it leaves me feeling cold,
Oh oh,
Streets filled with fear,
Whatever happened to Shakespeare?

Ooh oh oh oh,

So you say Friday,
Don't need it, don't need it, don't need it,
You say Friday,
Don't need it, don't need it, don't need it,
Because Friday,
Don't need it, don't need it, don't need it,
You've got Friday,
Don't need it, don't need it, don't need it,

Because oh eh oh,
I used to go 'till half past four,
Oh oh,
But now my feet don't touch the floor,
Oh oh,
Leaves me yawning,
For Saturday morning,

Show me romance and I'll dance on a Friday oh ooh,
Put back some grace and I might show my face on a Friday,
Fill me with virtue and I might revert to a Friday,
Just give us a chance and we'll prance on a Friday,
Oh oh, oh oh, oh ooh,

So you got Friday,
Don't need it, don't need it, don't need it,
You got Friday,
Don't need it, don't need it, don't need it,
Because Friday,
Don't need it, don't need it, don't need it,
You got Friday,
Don't need it, don't need it, don't need it,

Because.

Ooh ooh,
Ooh ooh,
Ooh ooh,

Tell me, tell me quick,
Tell me quick.
