

## After the Rain

Little Dragon

After the rain the temperature dropt  
And covered in ice was my window top  
I say goodbye I wave my hand  
As a thousand doves fly  
Across the blackened night

After the rain we forget  
We make sure we gain then we leave it  
'Cause were a nation of forgetters  
Oh after the rain we pretend  
It's easier to begin without looking back

'Cause all at once air so thin  
And there's nothing left to breath in

After the rain we forget  
After the rain we forget

Behind a dream so rosy and red a pile of things to forget  
A voice of the past tiptoes in a cracking ghost whispering

After the rain we forget  
We make sure we gain then we leave it  
'Cause were a nation of forgetters

After the rain we forget  
After the rain we forget

People where have you been  
Have you been hiding  
In you big houses  
People after the rain  
Will your life  
Will it ever be the same  
Oh people what will you do  
When you luck  
When it turns on you  
Wow people after the rain  
Will your life  
Will it ever be the same

After the rain we forget  
After the rain we forget  
After the rain we forget
