## **All That You Dream**

**Little Feat** 

INTRO:

I've been down but not like this before.

Can't be round this kind of show no more.

All, all that you dream, it comes through shining silver lining and clouds, clouds change the scene. Rain starts washing all love's cauti on

Into your life and you start to realize just what is true

What else can you do? For you just follow the rules and keep your eyes on the road that's ahead of you.

I've been down but not like this before.

Can't be round this kind of show no more.

All of the good, good times were ours in the land of milk and honey a  $\operatorname{\mathsf{nd}}$ 

time, time adds its scars, rainy days they turn to sunny

ones, you're living the life, living the life, loving every one
