

## Play The Part

Little Joy

Spending time  
Convinced that it's mine with her  
Just to keep her out of mind

Still I'll take care to see  
Which way the wind blows

And I don't find it funny anymore

And so I won't play the part

I don't see you laughing anyway  
And so I won't play a part  
In your mistake  
No way

Not unless you stay
