

# Unattainable

Little Joy

Only when the goal  
Is unattainable  
Do I start to feel  
Like I'm losing myself  
And this deep secret  
That hasn't come out yet  
Is buried down deep with the rest

I can't coerce you into this one  
Jealousy lay all your spells to bed  
I'll choose unloved instead

If only songs were sung  
To guide the doubtful ones  
Beyond the rough  
When not as much is good enough  
Oh, if you find yourself  
Amongst the lonely ones  
I will be waiting here  
With open arms

I can't coerce you into this one  
Jealousy lay all yours spells to bed  
I'll choose unloved instead
