

# That's What Love Will Make You Do

Little Milton

Oh, when I hear your name  
I start to shake inside, yes I do  
When I see you stroll  
I lose my self-control

But that's what love will do for you  
That's what love will make you do, oh yeah  
No matter how hard I fight it  
Oh, I'm still in love with you

Listen, if you're ever in need  
There's no limit to what I'll do  
I'll work eight days a week  
And give it all to you

Cause that's what love will do for you  
That's what love will make you do  
No matter how hard I fight it  
Oh, I'm still in love with you

Oh, that's right, alright

Listen, when they speak of beauty  
You can stand the test, yes you can  
When they talk about makin' love  
Baby, you're the best, but yes you are

I don't want to brag about you too much  
And give others ideas  
But I'm tryin' hard to express myself  
Cause baby, that's the way I feel

That's what love will do for you  
That's what love will make you do, oh yeah  
No matter how hard I fight it  
Baby, I'm still in love with you, yeah

Oh yeah, come on, yeah, hmm
