

Black Magic

Little Mix

All the girls on the block knocking at my door
Wanna know what it is make the boys want more

Is your lover playing on your side
Said he loves you, but he ain't got time
Here's the answer, come and get it
At a knocked down price

Full of honey just to make him sweet
Crystal balling just to help him see, what he's been missing
So come and get it while you still got time

Hey

Get your boy on his knees and repeat after me and say

Take a sip from my secret potion,
I'll make you fall in love
For a spell that can't be broken,
One drop should be enough
Boy you belong to me,
I got the recipe
And it's called black magic
(and it's called black magic)

Take a sip from my secret potion
One taste and you'll be mine
It's a spell that can't be broken
It'll keep you up all night
Boy you belong to me
I got the recipe
And it's called black magic
(and it's called black magic)

If you're looking for Mr. Right
Need that magic to change him overnight
Here's the answer
Come and get it while you still got time
