

Down & Dirty

Little Mix

I'm tasty, delicious, I'm rough 'round the edges
My mind is obsessive, my flex is aggressive
Glad I didn't listen to my teachers
Teachers teach not to be a dreamer

I don't mind offendin', I ain't 'bout pretendin'
Them haters be hatin', my fashion be trendin'
Now I'm a believer, check out the stamps on my Visa
We international divas, better start on making your pizzas

Yeah, if we only got one night
Forget about the world outside
Put your hands up real high
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)

I don't ask the mirror, I'm know I'm the fairest
I'm bringin' the fire, so call me Daenerys
They wanna know who sneakin' into my place
They don't need to know, no script, this is how I play

Yeah, if we only got one night
Forget about the world outside
Put your hands up real high
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)

Four bad bitches, can't wake us, we approachin'
Plenty room in the Royce if you rollin'
If you wanna go fast say "Yeah"
Put your hands in the air

Get down and dirty
I know you heard me
Get down and dirty
Get down and dirty
I know you heard me
Get down and dirty
(Everybody get down)
