

Salute

Little Mix

Ladies all across the world
Listen up, we're looking for recruits
If you're with me, let me see your hands
Stand up and salute
Get your killer heels, sneakers, pumps or lace up your boots
Representing all the women, salute, salute!

It's who we are
We don't need no camouflage
It's the female federal
And we're taking off
If you with me, women let me hear you say

Sisters we are everywhere
Warriors, your country needs you
If you're ready ladies, better keep steady
Ready, aim, shoot
Don't need ammunition, on a mission
And we'll hit you with the truth
Divas, queens, we don't need no man, salute!
