

A Whole Lotta Shakin' Goin' On

Little Richard

I said come on over baby, a-whole lot-ta shakin' goin'
On

Yeah I said come on over baby, a-whole lot-ta shakin'
Goin' on

Well we ain't fakin', a-whole lot-ta shakin' goin' on

Mmm, I said come on over baby, we got chickens in the
Barn

Whose barn, what barn, my barn

I said come on over baby, we got the bull by the horns
Yeah, we ain't fakin', a-whole lot-ta shakin' goin' on

Well, I said shake baby, shake

I said shake, baby shake now

I said shake it baby, shake

I said shake it baby, shake

We ain't fakin', a-whole lot-ta shakin' goin' on

Well, I said come on over baby, a-whole lot-ta shakin'
Goin' on

I said come on over baby, a-whole lot-ta shakin' goin'
On

We ain't fakin', a-whole lot-ta shakin' goin' on

Well my mom-mom-mom, I said shake baby, shake

I said shake baby, shake it

I said shake baby, shake all right

I said shake baby, shake

We ain't fakin', a-whole lot-ta shakin' goin' on

Easy now

I said shake baby, shake

I said shake, baby shake now

I said shake it baby, shake uh huh

I said shake it baby, shake, bop bop

We ain't fakin', a-whole lot-ta shakin' goin' on

Yeh,

I said shake baby, shake

I said shake baby, shake

We ain't fakin', a-whole lot-ta shakin' goin' on

Shake it out
