

# I'm Just a Lonely Guy

Little Richard

I'm all alone  
Alone in this world  
I'm all alone  
And I lost my only girl  
I'm all alone  
Yes, I need some one to love  
I'm all alone  
Alone in this world  
Once I had a love  
[Incomprehensible]  
But that love struck me  
She up and put me down  
I'm just a lonely  
A lonely, lonely guy  
A lonely guy in this town  
Oh, yes  
A lonely guy in this town  
If my baby  
Can't be found  
I'm going to the river  
Jump overboard and drown  
I'm just a lonely  
A lonely, lonely guy  
I feel so low down  
Oh, feel so low down  
If my baby  
Can't be found  
Yes, I'm going to the river  
Jump overboard and drown  
I'm just a lonely  
A lonely, lonely guy  
And I feel so low down  
Oh, yes, so low down
