

# I Saw Her Standing There

Little Richard

Well, she was just 17,  
You know what I mean,  
And the way she looked was way beyond compare.  
So how could I dance with another (ooh)  
When I saw her standin' there.

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her.  
She wouldn't dance with another (whooh)  
When I saw her standin' there.

Well, my heart went "boom,"  
When I crossed that room,  
And I held her hand in mine...

Well, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now, I'll never dance with another (whooh)  
When I saw her standing there

Well, my heart went "boom,"  
When I crossed that room,  
And I held her hand in mine...

Oh, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now I'll never dance with another (whooh)  
Since I saw her standing there 3x
