

Cool Change

Little River Band

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
There's lots of those friendly people
They're showing me ways to go
But I never want to lose their inspiration

Time for a cool change
I know that it's time for a cool change
And I know that my life is so pre-arranged
I know that it's time for a cool change

Well I was born in the sign of water
And it's there that I feel my best
The albatros and the whales they are my brothers
And it's kind of a special feeling
When you're out on the sea alone
Staring at the full moon like a lover

I've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the air

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon like a lover
