

# Man On The Run

Little River Band

When the keeper of your soul comes by, whoah you better beware  
In all these years I've known you my friend, I've felt you really don't care  
So what's your reason for living  
Get up and follow the sun  
There's such a lot in forgiving  
You're like a man on the run

In this world of sorrow who knows just what tomorrow may bring  
We've been waiting nearly two thousand years for the return of the king  
Everyone has their level  
And everyone has their price  
So keep away from the devil  
And keep away from the dice

Anyone can see you are only a man on the run  
In and out of trouble you're only a man on the run

So what's your reason for living  
Get out and follow your heart  
There's such a lot in forgiving  
But you don't know where to start

Anyone can see you are only a man on the run  
In and out of trouble you're only a man on the run

Anyone can see you are only a man on the run  
In and out of trouble you're only a man on the run  
Only a man on the run

(Man on the run)  
He's just a man on the run  
(Man on the run)  
He's just a man on the run  
(Man on the run)  
Just a man on the run  
(Man on the run)  
He's just a man on the run  
(Man on the run)  
Ju-Ju-Ju-Ju-Just a man  
(Man on the run)  
Just a man on the run  
(Man on the run)  
He's just a man on the run
