

## Sanity's Side

Little River Band

You suddenly find you're standing  
Looking over the edge of time  
You can't remember handling  
Situations and nursery rhymes  
Carry me gently 'cross the water  
Find me a place where I can hide  
Blow me breezes never falter  
Lead me back to sanity's side  
Lead me back to sanity's side

I've been a few places darling  
Experimented and looked around  
It's time I was returning  
Get my feet back on solid ground  
Carry me gently 'cross the water  
Find me a place where I can hide  
Blow me breezes never falter  
Lead me back to sanity's side  
Lead me back to sanity's side

Out so far I never thought that I would get back  
Nearly touched a star  
I burnt my fingers tryin' to hold it  
It's impossible I should have known it

You suddenly find you're standing  
Looking over the edge of time  
You can't remember handling  
Situations and nursery rhymes  
Carry me gently 'cross the water  
Find me a place where I can hide  
Blow me breezes never never falter  
Lead me back to sanity's side  
Oh lead me back to sanity's side  
I wanna go back to sanity's side
