

# The Night Owls

Little River Band

There is a bar right across the street  
He's got a need he just can't beat  
Out on the floor he shuffles his feet away  
He'll get the girl 'cause he looks so fine  
He's gonna win her every time  
He knows he will, he's dressed to kill  
He's a night owl

Move on, there's a howl of a night owl calling  
To belong, she's crying in the night  
Be strong, find the heart of a night owl falling  
Stay up till dawn until the night is gone

What will become of the restless kind  
Where do they go when they've done their time  
Wearing their hearts out on the line for all to see  
Must be the gypsy in their soul  
They have a need to rock and roll  
They always will, they're out there still  
They're the night owls

Move on, there's a howl of a night owl calling  
To belong, she's crying in the night  
Be strong, find the heart of a night owl falling  
Stay up till dawn until the night is gone
