The Night Owls

Little River Band

There is a bar right across the street He's got a need he just can't beat Out on the floor he shuffles his feet away He'll get the girl 'cause he looks so fine He's gonna win her every time He knows he will, he's dressed to kill He's a night owl

Move on, there's a howl of a night owl calling To belong, she's crying in the night Be strong, find the heart of a night owl falling Stay up till dawn until the night is gone

What will become of the restless kind Where do they go when they've done their time Wearing their hearts out on the line for all to see Must be the gypsy in their soul They have a need to rock and roll They always will, they're out there still They're the night owls

Move on, there's a howl of a night owl calling To belong, she's crying in the night Be strong, find the heart of a night owl falling Stay up till dawn until the night is gone
