

# There's Not Another You

Little River Band

Hard times have come on me  
I need a new sensation to set me free  
I need You to come and talk to me  
and take me over

Last night i saw your face  
you have the same effect on me every day  
i just don't know what makes me feel this way  
You take me over

There's not another you!  
No-one anywhere  
Can ever make me feel  
like you do when you're there  
He's such a lucky guy  
To have you in his live  
There's nothing i can do  
There's not another you!

Your look is all i see  
i get a change in mood when you're close to me  
I'm more alive than i could ever be when I'm with you

Every time you look my way  
I just get so exited i feel afraid  
And i forget the things i wanna say  
When i am with you

There's not another you!  
No-one anywhere  
Can ever make me feel  
like you do when you're there  
He's such a lucky guy  
To have you in his live  
There's nothing i can do  
There's not another you!

You don't understand when i see you with another man  
I go crazy thinking about those nights he's holding you  
Is he holding you?

There's not another you!  
No-one anywhere  
Can ever make me feel  
like you do when you're there  
He's such a lucky guy  
To have you in his live  
There's nothing i can do  
There's not another you!

There's not another you!  
No-one anywhere  
Can ever make me feel  
like you do when you're there  
He's such a lucky guy  
To have you in his live  
There's nothing i can do

There's not another you!
