

My Town

Little Texas

This old Town's been here long as I can remember
This town's gonna be here long after I'm gone
Here we all work hard and we stick together
We've been down, but we still Go on
Oh and....

This Town is my town, and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight
This town is my town
She got her ups and downs
But Love or hate her, it don't matter
'Cause this is My Town

This old town is where I learned about loving
This old town is where I learned to hate
This town, buddy, has down its share of struggling
This town taught me that it's never too later
Oh and...

This Town is my town, and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight
This town is my town
She got her ups and downs
But Love or hate her, it don't matter
'Cause this is My Town
