

## Last Night

Little Walter

Last night I lost the best friend I ever had  
Last night I lost the best friend I ever had  
Well, she gone off and left me, oh,  
make me feel so bad

Well, it's early in the morning  
when my love come falling down for you  
Well, it's early in the morning, baby,  
when my love come falling down for you  
I want you to tell me, baby, tell me  
what are we gonna do

Well, I'll wait till tomorrow,  
they tell me every day brings some bottle of change  
Well, I'll wait till tomorrow,  
they tell me every day brings some bottle of change  
Well, I love you, love you baby,  
honey, ain't it a crying shame

Last night I lost the best friend I ever had  
Last night I lost the best friend I ever had  
Well, she gone off and left me,  
oh, make me feel so bad
