

## Too Late

Little Walter

Too late, too late, too late  
I'm tired of your deceivin' and I can't stand your  
creepin', I'm gone  
I'm tired of your deceivin' and I can't stand your  
creepin', I'm gone

Too late, too late, too late  
Tired of all the fussin' and I can't stand your  
cursin', I'm gone  
Tired of all the fussin' and I can't stand your  
cursin', I'm gone

Gee you know I love you, I don't know just why  
Thought the whole world of you, but today I say bye  
bye, bye bye

Too late, too late, too late  
Can't stand your cookin' and you ain't good-lookin',  
I'm gone  
Can't stand your cookin' and you ain't good-lookin',  
I'm gone

Gee you know I love you, I don't know just why  
Thought the whole world of you, but today I say bye-  
bye, bye-bye

Too late, too late, too late  
Can't stand your beatin' and I know you been cheatin',  
I'm gone  
Can't stand your beatin' and I know you been cheatin',  
I'm gone  
Can't stand your beatin' and I know you been cheatin',  
I'm gone
