

Too Late

Little Walter

Too late, too late, too late
I'm tired of your deceivin' and I can't stand your
creepin', I'm gone
I'm tired of your deceivin' and I can't stand your
creepin', I'm gone

Too late, too late, too late
Tired of all the fussin' and I can't stand your
cursin', I'm gone
Tired of all the fussin' and I can't stand your
cursin', I'm gone

Gee you know I love you, I don't know just why
Thought the whole world of you, but today I say bye
bye, bye bye

Too late, too late, too late
Can't stand your cookin' and you ain't good-lookin',
I'm gone
Can't stand your cookin' and you ain't good-lookin',
I'm gone

Gee you know I love you, I don't know just why
Thought the whole world of you, but today I say bye-
bye, bye-bye

Too late, too late, too late
Can't stand your beatin' and I know you been cheatin',
I'm gone
Can't stand your beatin' and I know you been cheatin',
I'm gone
Can't stand your beatin' and I know you been cheatin',
I'm gone
