

# Mysterium

## Liturgy

O sail of skin tumbling in the air  
Blowing anywhere

O absent law  
Chattering useless teeth  
Secreting quiet sweat

Mysterium  
Mysterium  
Mysterium

O mirror that does not reflect

O fire that illuminates nothing  
But itself

O shadow of what never was  
But seems to have been  
And to have been lost

Mysterium  
Mysterium  
Mysterium
