

## Paris Paris

Liv Kristine

Le piano play  
I'm doing faire de la musique  
Cheesy piano play off to the funky beat  
Le rock dosent fascinate me too much tonight  
La cocotte-minute blends my favorite notes like a maniac  
I'm just a maniac

Paris Paris you are my physical attraction  
My melody on the radio en direct  
Paris cherie I want your physical attraction  
La chanson make you feel plusqueparfait  
Olala the French girls

Le bass I like  
Let's go to the la boum  
Cheesy hooklines kick off to the funky beat  
This is tres tres bien for my popstyle touch  
I'm taking my melody a Paris for the maniacs  
Cause I'm a maniac
