

## Twofold

Liv Kristine

My question was honest  
I'd made up my mind  
Then why do I shiver  
Talking to him

There's something about him  
Something I fear  
His eyes hide a hardness  
I cannot bear

Don't leave me alone  
You can't just deceive me and go  
Twofold  
His love turning cold  
Oh no

His answer was twofold  
I ran into doubt  
Then why does he tyrannize  
My good-natured soul

His mind's all twisted  
Twisted and different  
He'll walk all over me  
If I let him

Don't leave me alone  
I can't just leave him and go  
Twofold  
His feelings are cold  
Mmm

Don't leave me alone  
Don't leave me alone  
You can't just leave me  
Can't just leave me
