

# I Alone

Live

It's easier not to be wise  
and measure these things by your brains  
I sank into Eden with you  
alone in the church by and by  
I'll read to you here, save your eyes  
you'll need them, your boat is at sea  
your anchor is up, you've been swept away  
and the greatest of teachers won't hesitate  
to leave you there, by yourself, chained to fate

I alone love you  
I alone tempt you  
I alone love you  
fear is not the end of this!

It's easier not to be great  
and measure these things by your eyes  
we long to be here by his resolve  
alone in the church by and by  
to cradle the baby in space  
and leave you there by yourself chained to fate

Oh, now, we took it back too far,  
only love can save us now,  
all these riddles that you burn  
all come runnin' back to you,  
all these rhythms that you hide  
only love can save us now,  
all these riddles that you burn yeah, yeah, yeah
