

Libra

Live

Libra, take my eyes from me
Oh libra, make me blind so that I can see
Everyone's dreamin' of a truth to be
Everyone's changin' channels on a big TV

Oh libra, like a balance

Time tried to hold her, tried to tie her down
But I beat the clock
Now the balance makes my world go round

Oh libra, like a balance
Libra, my love...
Libra, my love...
