Lightning Crashes

Lightning crashes, a new mother cries Her placenta falls to the floor The angel opens her eyes The confusion sets in Before the doctor can even close the door

Lightning crashes, an old mother dies Her intentions fall to the floor The angel closes her eyes The confusion that was hers Belongs now, to the baby down the hall

Oh I feel it comin' back again Like a rollin' thunder chasing the wind Forces pullin' from the center of the earth again I can feel it

Lightning crashes, a new mother cries This moment she's been waiting for The angel opens her eyes Pale blue colored iris, presents the circle Puts the glory up to high, high

Oh I feel it comin back again Like a rollin' thunder chasing the wind Forces pullin' from the center of the earth again I can feel it; I can feel it

Oh I, oh I, oh I

I can feel it comin' back again Like a rollin' thunder chasing the wind Forces pullin' from the center of the earth again I can feel it (3x)

I can feel it; I can feel it
