

# The Dolphin's Cry

Live

The way you're bathed in light  
Reminds me of that night  
God laid me down into your rose garden of trust  
And I was swept away  
With nothin' left to say  
Some helpless fool  
Yeah I was lost in a swoon of peace  
You're all I need to find  
So when the time is right  
Come to me sweetly, come to me  
Come to me

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Oh yeah, we meet again  
It's like we never left  
Time in between was just a dream  
Did we leave this place?  
This crazy fog surrounds me  
You wrap your legs around me  
All I can do to try and breathe  
Let me breathe so that I  
So we can go together!

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Life is like a shooting star  
It don't matter who you are  
If you only run for cover, it's just a waste of time  
We are lost 'til we are found  
This phoenix rises up from the ground  
And all these wars are over

Over  
Over  
Singin' la da da, da da da  
Over  
Come to me  
Come to me  
Yeah la da da da, da da da  
Come to me

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight

Love will lead us, she will lead us

Life is like a shooting star  
It don't matter who you are  
If you only run for cover, it's just a waste of time  
We are lost 'til we are found  
This phoenix rises up from the ground  
And all these wars are over  
They're over  
They're over  
They're over

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Love will lead us, alright  
'Till it's over, she will lead us  
Love will lead us, alright  
Just remember, love will see us  
Love will lead us, alright
