

The Way Around Is Through

Live

Breaking it was easy
Now we'll never know
Just how well it was made
Seeing it completely opening up
What did we think it contained?

The glare off the sign is blinding
And there's no way around it,
It's mine

Believe tonight we'll see the truth
The only way around is through
Believe tonight we'll see the truth
The only way around is through

Running out of leverage
Tearing off the roof
Shading my eyes from the light
The glare off the sign is blinding
And I'll have to admit it,
It's mine

(Yeah) Believe tonight we'll see the truth
The only way around is through
(Yeah) Believe tonight we'll see this truth
The only way around is through

(Yeah) Believe tonight we'll see the truth
The only way around is through
(Yeah) Believe tonight we'll see this truth
No other way around but through

I hear the footsteps of past generations
I've seen the glory of a previous time
I look in the mirror, and see my reflection
There's no way around it,
It's Mine

(Yeah) Believe tonight we'll see the truth
(Yeah) The only way around is through
(Yeah) Believe tonight we'll see the truth
(Yeah) No other way around but through

Breaking it was easy
