

# Where Fishes Go

Live

Yeah I found god  
and he was absolutely nothin' like me  
he showed me up like some dime-store hooker  
who was plain to see  
I couldn't take it anymore so I went back to the sea  
cuz' that's where fishes go  
when fishes get the sense to flee

Where you goin' now?  
what's your plan?

Yeah I found god  
and he was absolutely just like me  
he opened my mouth, looked down my throat  
told me I was thirsty  
he said, I been, I been, I been  
been in this water all my life  
never took the time to breathe, breathe,  
BREATHE!

Whatcha doin' in this darkness baby?  
when you know that love will set you free  
will you stay in the sea forever?  
drownin' there for all eternity  
whatcha doin' in this darkness baby?  
livin' down where the sun don't shine  
come on out into the light of love  
don't spend another day  
livin' in the sea  
livin' in the sea, yeah

I couldn't take it anymore  
so I went back to the sea  
cuz' that's where fishes go  
when fishes get the sense to flee  
breathe, BREATHE!

Whatcha doin' in this darkness baby?  
when you know that love will set you free  
will you stay in the sea forever?  
drownin' there for all eternity  
whatcha doin' in this darkness baby?  
livin' down where the sun don't shine  
come on out into the light of love, child  
don't spend another, no no  
whatcha doin' in this darkness baby?  
come on out into the light of love  
come on out into the light of love child  
don't spend another day  
livin' in the sea, livin' in the sea
