

## A Woman's Place Is On My Face

Lividity

A womans place is on my face  
But all I need is my cock sticking in your ass  
Oh my dicK's stiff and I need it  
Wet, sloppy pussy juice dripping from my face and mouth  
Come here you whore  
Down on your knees  
Suck on my dck  
Play with my balls  
Choke on my cock  
Throw up on me  
Chunks on my dick  
Soon ther'll be your blood  
Punch you in the face and then I slice your wrists  
Cumming as your blood trickles onto the floor  
I'm not done!!  
The womans place is on my face, and when I'm done  
DEATH!!  
You'll beg for mercy, then you pray for death, but death  
won't  
come  
When I'm angered  
Hatred increased  
Your shitty life, DONE!!  
I have no care  
You're death I praise
